

Urban Farming DASHBOARD

Healthy Food, Healthy People,
Healthy Planet

It's never been easier to learn how to grow healthy food!

Find what you need below

**BUSINESS
GROW**

Tokyo, Japan,
worldwide

Why urban farming? It can:

- ✓ Improve your and your family's health and eating habits
- ✓ Reduce food costs
- ✓ Improve self-sufficiency
- ✓ Boost disaster preparedness
- ✓ Help protect the environment
- ✓ Combat climate change.
